Dear Alumni,

Fr. Dennehy was well known in the Archdiocese as a lover of Catholic education. He was convinced of the importance of a strong moral training along with a solid academic preparation. Because of his passion for Catholic schools he was given the daunting task of changing a seminary building into a high school. It is no accident that under Father Tom's leadership so many of our graduates have been highly successful members of the South Florida community. We have as graduate doctors, lawyers, teachers, and business owners too numerous to mention. Two of our alumnae work in the Bush White House.

The memorial foundation that bears Fr. Dennehy's name provides funds for needy students in order to assist them to attend St. Brendan High School; I am sure that this generous activity sponsored by alumni is a cause that would be close to Father's heart.

On behalf of the needy I congratulate and challenge you to provide to others what you have received.

Please come and visit your "alma mater". You are always in our family.

Sincerely,

Bro. Felix Elardo

Brother Felix Elardo
Principal

Hello Alumni and Friends,

The start of a new academic year brings with it changes for the Sabre Tales Newsletter. In hopes of bringing a sense of synchronicity to the Alumni and school communities, the Fr. Dennehy Memorial Fund has shifted publication of the newsletter to coincide with the academic calendar. We hope that publishing the newsletter in September and January will facilitate your involvement in what our organization and your Alma Mater have to offer you. On the pages within you will find announcements about your fellow Alumni in the *All About You* section, about their involvement with Career Days and Class Reunions. You will also find some interesting history about the school and some exciting news about a seminar series scheduled to begin in the Spring of 2005.

At this time I would also like to recognize one of our newest alumni, Ms. Monserrat de Para, Class of 2004, who was awarded the 2nd Annual Founder's Service Award at the Senior Awards Ceremony in May of this year.

In other news, this year the FDMF was able to once again fulfill one of its primary goals by providing scholarships to returning students. Two seniors were awarded full-year scholarships and one underclassman was provided a partial scholarship. These grants were made possible through your generosity. This year's Scholarship Drive kicked off in late July and we've already seen an enthusiastic response by many of last year's donors and many first-time donors as well. As of the printing of the newsletter, just over \$9000 in pledges have been made. From the bottom of our hearts we thank those of you who have answered our call. And we hope to hear from many more of you in the days to come.

I'll close by asking that you drop us a line and let us know what's going on in your lives, I'm sure your classmates would love to hear from you.

Keep the spirit of St. Brendan alive in your hearts,

Sara Hekmat
President, Fr. Dennehy Memorial Fund

Spiritual Moment

A great 20th century rabbi and spiritual leader, Abraham Heschel states in one of his writings, "If God is not of supreme importance, then He is of no importance at all." As the lazy days of summer begin to recede and the longer nights of fall come upon us it is good to heed the spiritual counsel of this great teacher. Not long ago, our Churches rang out with joy for the solemn feasts of Easter and Corpus Christi. Now, in these days the Church turns its eyes to the final things. Soon we will celebrate the Feasts of all Saints and all Souls, and the solemn celebration of Christ Our King. Perhaps during this time of year it is fitting for us to focus on the final things in our lives. We may want to remember a classmate or a loved one who has been called home to the Lord, perhaps placing them more often before the Lord in our prayers. Some may see this time as an opportunity to reconcile with a loved one or friend who has drifted away. As Rabbi Heschel says, "A religious man is a person who holds God and man in one thought at one time, at all times, who suffers harm done to others, whose greatest passion is compassion, whose greatest strength is love and defiance of despair."
Benjamin Seiglie

From The Director

We're again at the beginning of another year at St. Brendan!

A special Thank You to the alumni who have contributed to the Fr. Dennehy Memorial Fund Scholarship Drive. Thanks to your generosity the Fund has been and will be able to financially assist some of the students who need our help. The Foundation welcomes any alumni who would like to be part of the Board of Directors.

I would also like to extend an invitation to all of you to stop by the school and visit, as it is always very nice to see our alumni. I would also like to invite you to attend our 2nd annual Tropical Extravaganza which will be held Saturday, February 26, at 7:00 p.m. For more information please contact the Development Office at 305-223-5181 ext. 561.

I hope you and your families had a summer full of fun and relaxation.

Hope to see you soon.

God bless.

Tropical Extravaganza Ushers in the Spring

The incredible efforts of Bertha Alvarez, Director of Development at St. Brendan High School, the Parent Council and members of the Board of the Fr. Dennehy Memorial Fund paid off last spring when our annual fund raising event was a huge success.

On March 20th, the "Tropical Extravaganza" was held and the night started off with a cocktail at sunset, accompanied by gourmet hors d'oeuvres and a wonderful spring breeze. Before moving on to a delicious seafood or chicken and chorizo paella, party goers were able to bid on beautiful gift baskets, and all proceeds from the sale of these baskets went directly to the school.

Additionally, many coveted door prizes, donated by parents, alumni, local businesses and friends of the Sabre family, were raffled off. After dinner, we enjoyed dessert and Cuban coffee. The music then started and parents, alumni and friends got up to dance.

Finally, thanks to Emilio Alvarez, (Class of '83), and his wife Ivette, a teacher at SBHS, we had a domino tournament in which winners took home a fabulous domino table, and new sets of dominoes. Not only were we able to raise funds, we also shared a fantastic night of great food and drink, wonderful music, good natured competition, and exceptional company. Thanks to all who attended, and especially to those who provided generous support in the form of financial donations, silent auction items, door prizes and other valuable items and assistance. We look forward to seeing everyone at this year's event.
Sarah Prieto (Class of '83)

Back to School News

Dear Sabre Family,

Once again a new school year is upon us. Every new school year presents us with opportunities to learn, to laugh, and to grow from the challenges presented to us. This new school year has been no exception.

We have gladly received 10 new faculty members to our school. We have overcome the challenges of renewing our ageing campus complex and seen the growth of our much beloved Champagnat Program, which helps students that have special education needs. We have faced the possibility of not one but four menacing hurricanes and we have been blessed to have avoided significant harm.

Yet even as this article is being written, with August a recent memory we are approaching the end of the first quarter and we have begun to settle into the routine of days which blur into weeks. Like any family our Sabre family will continue to struggle through the next weeks and months to grow, to love, and to live together. As the weeks go by please remember our Sabre family in your prayers and remember that you are always welcome here on campus. We look forward to seeing you at various activities throughout the year.

Remember, once a Sabre always a Sabre.

SBHS 30th Anniversary Celebration

Believe it or not, next year (2005-2006) St. Brendan High School will turn 30 years old! To commemorate this milestone, we encourage all alumni to rekindle their school spirit and participate in the events being offered.

Events are already being scheduled to celebrate 30 great years of Sabres. Planning has begun on the 30th Anniversary Gala to be held in November 2005. Also in the works are a Family Picnic in the Spring of 2006 and a commemorative mass to be held in June 2006.

To make all this happen we need your help, your hands and your ideas. All interested alumni are welcome to join a special 30th Anniversary Committee that will focus throughout the next year in planning special events for the 2005-2006 academic year. The committee will be made up of Alumni, Parents and Faculty. Please contact Javi Borges, Class of 1993 and Board Member of the Fr. Dennehy Memorial Fund, at javier.borges@ey.com or 305-415-1327 for more information.

The FDMF, Parent Council and Development Office look forward to hearing from you!

Class of 1994

The Class of 1994 held their 10 Year Reunion on the weekend of August 27-28, 2004 where there was a great turnout for all the weekend's events.

The weekend began Friday night with a Happy Hour at Big Fish in Downtown Miami. This event had the largest turnout where attendees were able to get reacquainted, many classmates had not seen each other for the past 10 years. Saturday afternoon saw a picnic at SBHS. Many classmates attended with their families. It was funny seeing the dads (husbands of alumni) run after and/or feed the kids while the moms talked to classmates. The picnic had something for everyone, there were potato sac races, water balloon tosses, hula hoops, basketball and volleyball; but mainly just the time to catch up with everyone. Jenny Rubio's daughter won the potato sac race and Orestes Espinosa's son won the water balloon toss. The final event of the weekend was held Saturday night, a Cocktail party at the Omni Colonnade. Classmates enjoyed catching up, great food and beverages and dancing the night away to tunes from their high school days. Attendees received booklets titled "Class of 1994 Where are they Now...", which detailed what the class members had done during the past ten years and enjoyed the photo presentation organized to remind everyone of their days at SBHS.

Special thanks go out to Lesley Silverio Mendoza and Jessica Legra for organizing a great reunion. The Class of 1994 would also like to thank Ramon Silverio (Lesley's dad and SBHS Athletic Director) and Ana Silverio (Lesley's mom) for helping at the picnic and for working the Check-In table at the Cocktail Party, and faculty members Mrs. Martha Adams and Mr. "P" Piscitelli for attending. The organizing committee would also like to thank all their former classmates for attending the events, because without them it would not have been the huge success that it was. And last but definitely not least, Lesley and Jessica would like to pass along their personal thanks to the following classmates for all their help in organizing the reunion; Debbie Ramirez, Arelys Palma, Annette Sabates Escala, Jenny Fernandez Lopez-Gottardi, Alex Serra, Milly Castillo, Dinah Gonzalez, Annette Martinez, Jenny Bayona, Tina Gonzalez. "Jessica and I could not have done it alone without all their help!" said Lesley.

Sabres Mentor Sabres

Last April, SBHS held its annual Career Days Event. As always, various experienced and beginning professionals and college students from different fields took time out of their busy schedules to provide valuable information about academic and professional preparation to our students. After coordinating this event for the past 7 years, I have seen how beneficial it is. We are very grateful to all of our speakers, but, most of all, to the alumni who so graciously return to provide guidance to our students. Sabres cannot help but impress and inspire us with their accomplishments.

Former Sabres that have come through for us time and time again are: Tony Baradat, Bert Jordan (Class of '80); Becky Reyes, Rosa Llaguno Scavo, Vicky Lopez, and Ricky Seara (Class of '82); Clary Arango, Liz Garcia-Balbin, Mario Carballo, Silvia Escribano Cuadra, Mike Nolan, Rosa Hoyo Prieto, Vivian Sanchez and Michael Vazquez (Class of '83); Ernie Fernandez and Monique Russo De La Viesca (Class of '84); Cynthia Corzo, Christine De Valle De La Huerta and Luisa Varona (Class of '86); Maria Budet, Carmen Martinez Gali, Bernie Navarro and Jackie Tejeda (Class of '91); Javier Borges, Susan Carballo, Marcia Codina, and Melissa Vignes (Class of '93); Robert Munecas (Class of '94); Cesare Ramos and Susan Falero (Class of '95); Jenny Martin, Frank Pages and Monica Vignes (Class of '96); Teri Puente (Class of '97); Lilly Guallar, Sofia Morales (Class of '98); Michelle De Diego, Arlette Saenz (Class of '99); Andrea Abrantes and Carla Regalado (Class of '03); Mike Mosca (a former SBHS teacher turned attorney).

Thank you all very much for taking part in this very effective event. Anyone interested in participating or in getting non-Sabre friends and family to participate can contact me at 305-223-5181, x261 or via email at sprieto@stbhs.org. Career Days this year will be March 16, 17 and 18, 2005.

Reflection of High Schools Days

If you've been to the alumni website (www.stbrendanalumni.org) you may have seen the Reflections Page. The page is reserved for your thoughts about your years at St. Brendan's. Please consider telling us about your memories. Think about what you've been doing since graduation. Then maybe reflect on how then and now are related. Is there a thought, a memory from SBHS that stuck with you all this time that might have influenced your life's direction? Or maybe just a funny memory of the goofy things you and your friends did. Turn off the TV, sit down at the keyboard and let the memories flow. Serious or funny, significant or trivial. Just write it up and send it to us at sabrenews@yahoo.com, then go back to the Reflections page (<http://www.stbrendanalumni.org/reflections.htm>) and watch for your memory to appear.

- Message in a Bottle - Tracking Down Missing Alumni

This is an experimental new section for the Sabre Tales!

We're wondering if there's an old classmate of yours that you've lost touch with and would like to reestablish contact with. Have you ever gone through one of your old year books, looked at a picture of you and your friends, read a dedication that was signed 'Best Friends 4-ever' and wondered, "What ever happened to ...?"

Maybe they moved out of town. Maybe they changed their name. Maybe they've looked at their old year book and wondered the same about you! Well maybe we can help.

If you're interested in trying to reestablish contact with an old friend, write and tell us about it, give us a message to that friend you've lost touch with. In each subsequent newsletter we'll post as many messages as we can in hopes of reuniting SBHS alumni with their old pals. Email us at sabrenews@yahoo.com
